About Cardinal Energy Ltd.

One of Cardinal's goals is to continually improve our Environmental, Safety and Governance ("ESG") mandate and operate our assets in a responsible and environmentally sensitive manner. As part of this mandate, Cardinal injects and conserves more carbon than it emits making us one of the few Canadian energy companies to have a negative carbon footprint.

Cardinal is a junior Canadian oil focused company built to provide investors with a stable platform for dividend income. Cardinal's operations are focused in low decline light and medium quality oil in Alberta and Saskatchewan.
